

Micronesian Art and Song Contest on "Clean Islands" - How can we keep the air, land, and water clean? What is the role of the 3Rs (Reduce, Reuse, and Recycle)?
Deadline: July 22, 2020

Goal:

- To increase public awareness on waste management issues through visual and artistic medium
- To promote best practices on waste management

Target Audience:

- High School students from grades 9-12
- Must be living on any of the islands of Yap, Chuuk, Pohnpei, and Kosrae and currently enrolled in any private or public schools throughout the FSM

Organizers and Partners:

FSM National Government DECEM in collaboration with State Government EPAs/KIRMA and regional partners, Micronesia Clean Up Day Planning Committee

INSTRUCTIONS:

To participate in the contest, submit the following information to the contact person at your EPA Office with your work (either an original art work, or an original song) before 5:00 p.m. on July 22, 2020.

FULL NAME:

AGE:

NATIONALITY/HOMETOWN:

CONTACT DETAILS: (Provide your phone or email address where we can reach you.)

For more information on where to take your submissions, kindly call the following EPA/KIRMA offices in your respective state:

<i>Pohnpei EPA: 320-1780</i>	<i>Chuuk EPA: 330-4158 OR 330-6582</i>
<i>KIRMA (Kosrae): 370-3646</i>	<i>Yap EPA: 350-2317</i>

There are two categories of this contest. Choose only one to participate.

1. **Art:** Show us through a drawing or painting how you think the 3Rs (Reduce, Reuse, and Recycle) can help keep the air, land, and water to be clean.

2. **Song:** Show us through a video-clip and lyrics of your original "song" about managing waste on the islands. You must address waste management issues and solutions.

Selection Process: All entries will be considered for review in front of a panel of judges. After receiving submissions, the judges will choose three winners from each category.

Category	1st Prize	2nd Prize	3rd Prize
Art	\$ 100	\$ 75	\$50
Song	\$ 100	\$ 75	\$50

*****Other prizes will be awarded where applicable.**
