Ref: 601 – 44 – 1605

The Royal Embassy of Saudi Arabia in Australia presents its compliments to the Ministry of Foreign Affairs of the Federated States of Micronesia and has the honour to advise that the Kingdom is seeking to strengthen its relations with all Pacific countries, including the Federated States of Micronesia, and to develop mutual cooperation in all areas of common interest.

The Embassy would like to kindly enquire whether the procedures related to the Federated States of Micronesia joining the Bureau of International Exhibitions have been completed and whether there is any update on this front. The Embassy reiterates that the Saudi Embassy in Australia and the Saudi Embassy in Manila are fully prepared to cooperate in this regard, to ensure that the accession (joining) dossier is submitted on time, allowing FSM the right to vote in November of this year.

On another front, the Embassy has the honour to announce the beginning of cooperation between the Kingdom and the Federated States of Micronesia, represented by the approval of the allocation of five university scholarships for students from FSM to study in the best Saudi universities. The Embassy will advise - at a later stage - of the method to apply for this scholarship.

The Royal Embassy of Saudi Arabia in Australia avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Federated States of Micronesia the assurances of its highest considerations.
